CREATIVE VISUAL SOLUTIONS

# Who are we?

We've been crafting awesome videos, launching stunning brands and making clients happy for years.

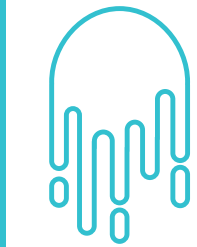

brand B is a digital agency specializing in producing entertaining, informative & engaging digital content for all mediums.

We focus on creating attention-grabbing visual content, we help companies and businesses operating in Saudi Arabia to increase their reach, create positive brand image and enhance sales. We create video solutions across the web, mobile and all other mediums, ensuring our videos reach maximum potential customers.

We are committed to make Saudi Arabia a developed nation through providing effective integrated brand marketing and public relations solutions.

# SERVICES

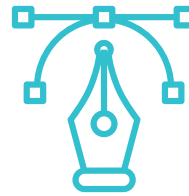

## Motion Design

Storytelling with a creative animated touch making it more effective and straight to the point.

## 3D Visualization

Rendering super realistic images are the ultimate choice to visualize your reality.

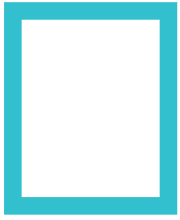

## Graphics Design

Crafting visual brands and creative content for your business and social media accounts.

## Presentations

It is more than just powerpoint slides. it's an art mixed with marketing skills.

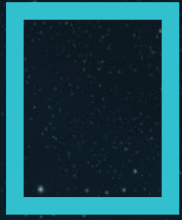

# BRANDS AND CLIENTS

Our partners in success.

Here are some of the clients and brands we worked with.

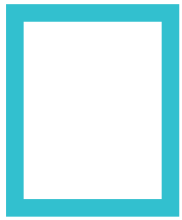

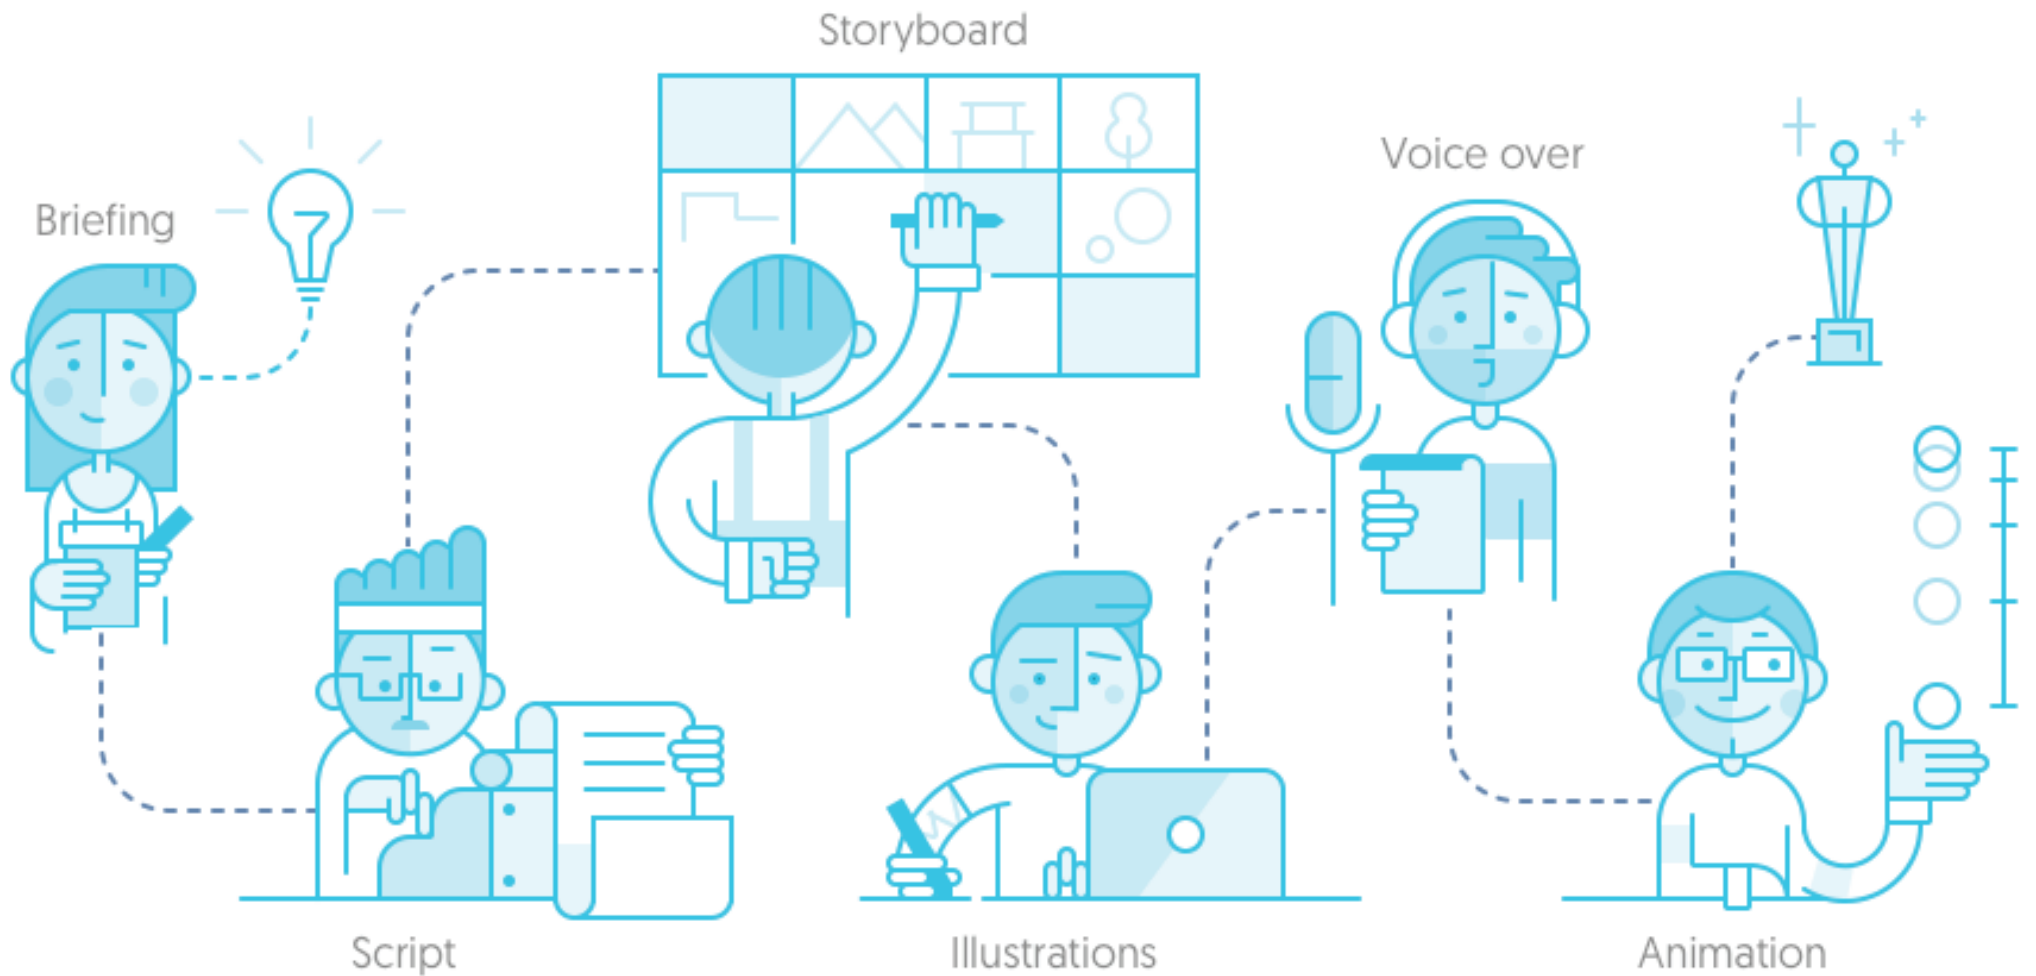

# SHOWREEL
